

**Professional Awning
Manufacturers Association**

DIGITAL GRAPHICS WORKSHOP

Presented by PAMA and FGA

Supported by the Western Canvas Products Association

**Saturday,
August 16, 2008**

7:30 am – 4:30 pm

Rainier Industries Ltd.

18375 Olympic Avenue South

Seattle, WA 98108

Phone: 800 869 7169

Workshop Overview:

Today's digital graphic technologies allow for the application of graphics to large fabric projects such as awnings, canopies and signage. These applications open up new business opportunities for awning shops. Find out how you can expand your business using digital graphics, how to choose suitable fabrics and equipment, whether you should outsource your graphics projects or invest in equipment yourself. See digital equipment in action during a tour of Rainier Industries and learn tips for creating stunning graphic designs from a leading graphic designer. Continental breakfast and lunch are included in this full day workshop.

Who Should Attend:

Shop owners and general managers, project managers, sales and sales managers and production /shop managers.

Attendee Benefits:

- Wonderful networking opportunities
- Valuable information for your business
- Hands-on learning
- Interactive discussions
- Learn about current and future trends

For more information about the workshop or PAMA, contact PAMA Managing Director at +1 651 222 2508 or e-mail generalinfo@ifai.com

Visit the PAMA Web site: www.awninginfo.com

The Professional Awning Manufacturers Association offers workshops for awning industry professionals.

What Past Attendees Say About PAMA Workshops

“As a first-time attendee, I wish that I had taken advantage of previous workshops.”

Gordon Moen, Muskegon Awnings

“Excellent. One of the best workshops I have attended.”

Carl Schmidt, Durasol Systems

“Outstanding and incredible value. Will participate every time it's geographically feasible.”

*Greg Buckingham,
Washington Canopies, Inc.*

PAMA's Mission Statement

To establish PAMA and its members as the preferred first source for awning and awning-related products and services to end users.
